Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Ability to schedule InfoCapture reports

Application/Area

Infocapture

Description

Since we are unable to select a date range for an InfoCapture report, we would like to have the ability to schedule a report to run.

For example, I'd like to capture the tickets submitted for the month of May so I would like to have the report run automatically on June 1.
