Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Finding comments in Discuss

Application/Area

Discuss

Description

The discussion is searchable using the global search, but if seems like if you try to click on the post, you're unable to get directly to it, and have to manually search through the feed.
