Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Componant to add badges to pages

### Application/Area

Pages

### Description

It would be great if you could add a component to Pages which shows people who have been given a Badge within a certain time frame.

For example, I'd like to show all employees who have been given a 'Thank You' badge in the last month so we can shout about and show those who have been given the badge!
