Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Ability to automatically set holiday quota annually.

Application/Area
Holiday Planner

Description
There is currently no way to automate the holiday's of users per year.

The functionality would be so that administrators/managers will be able to set a task that runs at a specific time/date that automatically sets all users holiday quota
