Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

CHat feature that pops up

### Application/Area

Communication

### Description

A feature that allows you to talk one on one with people on the system like an IM system. I know we have messages but something more user friendly.
