Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

People Component Needs More Search Options Besides Names

### Application/Area

People

### Description

I think it would be really great to be able to search through the people list component by something besides names, much like the big search component. Any chance that can be implemented?
