Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Add full survey tool, like Survey Monkey

Application/Area

Survey and Polls

Description

I'd love to have a full survey tool with all of the reporting options that are available in tools like Survey Monkey. We do a lot of staff surveys, and I'd love to have full features, such as matrix and ranking questions, the ability to create a survey where people can see images associated with answer options, conditional logic, robust reports, etc. I'd be willing to have something like this as an add-on for additional cost.
