Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Add a cancel button to the User CSV Upload process

Application/Area
People

Description
Updating from CSV
Summary*
User Load, Confirm Submit should have a Cancel option

Details*
If a user opts not to Confirm Submit, there is no proactive actions, you just navigate a away. That design does not provide confidence that nothing happened. The user should Confirm Submit or Cancel.
