Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Red/Yellow/Green light or multi-field color options for Infocapture

### Application/Area

Infocapture

### Description

Hello,

We would like to have status-like color functionality for multiple fields in Infocapture so you can have a list of tickets with different elements identified as different stages of the process.
