Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Permission for non-admin users to bulk upload to InfoCapture lists

### Application/Area

Infocapture

### Description

It would be of great benefit for non-admins to be able to bulk upload to InfoCapture lists. If only admins can do this, then they are potentially in the flow of a business process that they need not be in. The users themselves could - and should - take care of entering their data. Just adding an "Allow Bulk Data Upload" permission would facilitate taht.
