Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Document notifications to go to groups/roles

Application/Area

Documents

Description

Currently I think notifications for documents can only go to individuals, it would be better if it could go to a group or a role.
