Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Improve the description / notes when adding images

Application/Area
Infocapture

Description
It would be good if you could copy & paste an image into the description or notes box without having to save the image first.
This would be especially useful for support like tickets where we want people to supply a screen grab.
