Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Image Gallery bulk download with size select

### Application/Area

Image Gallery

### Description

We would like to have the option to mass-download images from an Image Gallery folder and be able to select the image dimensions (as we can do it when downloading one image: native resolution, large, medium, small, small (web, email) Thank you
