Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Copying existing surveys

Application/Area

Survey and Polls

Description

For surveys that reoccur every few months but we don't necessarily want to lose historical data by overwriting on them it would be very efficient and helpful to be able to simply copy an existing survey and rename it, etc.
