Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Date filter by a dynamic date range (e.g. Last Week)

Application/Area

Infocapture

Description

It would be good in reports, advanced search criteria and in the ticket list component to be able to enter a dynamic range, without having to specify a specific date.

e.g.

Today

Last Week

This Week

Last X Days

Last Month

This Month

Last Calendar Year

This Calendar Year

Last Financial Year
