Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Name vocalizer for the People Directory app

Application/Area

People

Description

Pronouncing people's name correctly is huge in any organization, especially during onboarding. It would be great to connect the People app to a service like nameshouts or other vocalizers to learn the correct pronunciation of an employee's name.
