Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Description

Could you please consider making comments optional in future versions? (allowing admin to enable or disable the functionality) Comments and questions can already be disabled from other applications: news, blogs, knowledge base, therefore it would be consistent.
