Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

**Short summary of idea***

ability to schedule events recurring by "third Wednesday of the month" etc

**Application/Area**

Events

**Description**

Make scheduling by ordinal numbers for days of the week.
Example: Third Wednesday of the month, etc.
Much like Outlook and Google calendar recurring events. To ease scheduling a series of events rather than having to schedule one-by-one.
