Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Change Colors of Links for Company News

Application/Area
News

Description
On the homepage, under Company News, create a feature that allows the title of the news article to change to a different color to once you already clicked on it and read it. It would help to let associates know when there is new news out there that they need to read.
