Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

User Profile Field: time zone

### Application/Area

People

### Description

A user submitted a suggestion that it would be nice to be able to view the current time zone and local time for every user in their profile, so when someone is looked up by another employee, they can see what time it is where they are.
