Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Make Room Booking diagram usable

Application/Area

Room Booking

Description

Room booking diagram currently does not filter based on the location selected.

It also fills less than half the screen and provides no navigation options, making it virtually useless for anything other than the "Day" view.
