Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Customizing individual Global Common Holiday titles

Application/Area
Holiday Planner

Description
Allow for each global holiday to have its own title or description. Currently we can only have one custom title but it would be nice to acknowledge what kind of holiday it is each time.
