Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Infocapture audit

Application/Area

Infocapture

Description

1. Provide a trail of note contents that was changed in the history tab on the ticket and admin audit log.
2. Add a granular permission of not allowing a user or group edit notes access after posting.
