Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Non-Managers to be able to access reports

Application/Area

Holiday Planner

Description

Hi, I am the administrator for most things on the intranet, but am unable to obtain user holiday reports, etc., as I am not one of the Managers/Sub-Managers approving holidays. It would be useful if there was a way for permission to be granted to administrators to access all reports.
