Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Ability to assign groups to ownership or policy

Application/Area

Policy Manager

Description

It would be great if we could assign the ownership of a policy to a group. This group would contain users within the system and have the ability to receive emails/notifications for when a policy is up for renewal etc.
