Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Search Function in Documents App

Application/Area

Documents

Description

Add an option to the Documents App where you can have the filter bar OR a search bar. It would be helpful to our team if they could search for terms there that we tagged when uploading the document within a particular folder.
