Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Integrated feed of all users engagements

Application/Area

General

Description

From a potential customer:

"we would like to integrate something like a social media feed with all individual discussions and posts from all channels a user is member of. I am really sorry, but I struggle with finding the right function. Is there a way to integrate this feed? It's not only about the news from different channels but also the discussions, etc."
