Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Individualization of shadowing on cards

Application/Area

General

Description

Allow for an option for individual cards to be shadowed/non-shadowed. If individual cards could be shadowed/non-shadowed, it could have a significant positive design and flow of information impact.
