Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Images/Photos in Announcements

Application/Area

Other

Description

Announcements are important in this system. Sometimes a picture or image can say a thousand words when you're limited on space for words. More times than not a picture will enhance the words. It would be nice if we had the ability to add an image to the announcements. It shouldn't be mandatory. I think everyone would enjoy this feature.
