Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Send Notifications to people who are monitoring a case

Application/Area

Infocapture

Description

Having an option to send a notification to people who are monitoring a case. The notification setting would be on the add new notification rule and would be an addition to "Send Notifications To" with just another checkbox
