Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Adding Date filters into the module activity report

Application/Area

Learning

Description

When I was using module activity report, I had a requirement where I was specifically needed the reports for a date range. I thought this is a useful addition, to add filter where we can specify the date range in addition to the existing options what is seen.
