SLA

Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Digital signage

Application/Area

Other

Description

It would be really useful if it was possible to use the intranet as a digital signage host.

The ability to serve up company news, general news or graphics in meeting rooms natively from the server would be great. Especially with the new Teams Rooms devices that all come with digital signage capability.
