Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

People

Description

On our home page, we have an anniversary and birthday listing that shows upcoming and current anniversaries and birthdays. I've received a few requests to be able to see recently passed events (say, 3 days beyond when their birthday/anniversary occurred) so they remain visible after the fact, so after a weekend or holiday well-wishers still see the event recently passed
