Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Ability to add metadata to certificates

Application/Area

Learning

Description

Currently, we can attach metadata to learning records, however not to the certificates, it would be great to be able to attach metadata to certificates so that those can be categorised and tagged
