Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Expand Text Widget to Full Screen During Design

Application/Area

Pages

Description

Much like we can with a News article, it would be *fantastic* if we could expand the widget for authoring a text box during page design to full screen. Would really make a huge difference in being admin/design user-friendly!
