Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

### Short summary of idea\*

Sidebar menu

### Application/Area

Menu Builder

### Description

Hi,

Asked and got feedback that this is not possible. But would like to give feedback that for us we would really like to have the option in having the sidebar menu on the top corner on the right side. Have been looking into other companies pages and they often have it on the right side. Also its better if you use your phone to have it on the right side.
