Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Sorting documents by date modified

Application/Area

Documents

Description

Our team would like to be able to sort their documents by date it was uploaded or modified. Right now, it only sorts alphabetically. I see in the admin view that I can sort folders/docs in many different ways - it would be helpful if people saw this on the front-end as well. Thank you!
