SLA

Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

modified

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Create a report of where a string is NULL or NOT NULL

Application/Area

Infocapture

Description

To be able to create a report where you can select to filter the results based on whether a field is blank or not blank.
