Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.  
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.  
If you have an immediate need for a feature please submit a Change Request instead.

Show version and date on archived policies

**Application/Area**

Policy Manager

**Description**

When a new version of a policy is created, the archived versions live on the right. Currently it just shows the policy name for as many versions as there are archived, it would be nice to show version or date beside the name.
