Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

pull through a description or excerpt of articles to emails

Application/Area

News

Description

Pull through a description or excerpt of articles that are sent as an email. It would be nice to replace this message, "A news article was just published to the All channel."
