Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Mark a notification as "favorite"

Application/Area

Communication

Description

A lot of my users are telling me they would like to mark a notification in-system as "favorite" or "save" them. They would like to keep some of them to consult them easily and fast when they need it later!
