Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Bring 'subscribed news' back as an option in the news module

Application/Area
News

Description
In the past, the news module allowed filtering based on subscription. It seems the 'subscribed news' option has now disappeared. The option still exists in the component but unfortunately it is limited to 20 news. Please bring the option back in the news module, so we can see older news. Thanks!
