Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Search analytics: It would be helpful to know what is most searched for

Application/Area

Other

Description

It would be helpful to know what is most searched for in our Claromentis tenant so we could feature some of those items in our blog or adjust them so they're more prominent.
