Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Drag-&-Drop files in InfoCapture

Application/Area

Infocapture

Description

It would be convenient to be able to drag-and-drop files into InfoCapture tickets: Both files in fields, as well as files attached to tickets.
