Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Org Charts - Report into more than one Manager

Application/Area

OrgChart

Description

I have departments in my business where employees report into more than one line manager.

I have been advised that this is not possible as one user reports into one manager. This is quite disappointing and was one of the sections which we were keen on implementing due to our employees working from different location in the world including homeworkers.

Something to look into.

Thanks
