Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Support CTRL+K for making hyperlinks

Application/Area
Other

Description
Please consider supporting CTRL+K for creating hyperlinks in all applications. I cannot tell you how many times I've messed things up by doing it on autopilot.
