Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

**Short summary of idea\***

View user subscriptions to news channels in a report.

**Application/Area**

News

**Description**

It would be great to be able to run a report, or audit to see what news channels users are subscribed to without logging into each users individual account.
