Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.

Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.

If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*

Show explanations about the right and wrong answers

Application/Area

Quiz

Description

Hi! For the purpose of continuous improvement, we would like to be able to add an explanation to the user of the quiz to explain to him why his answer was good or not, with additional information. If so, we could use the quiz as an exam for theoretical learning. Actually, we can only show him if his answer was correct or not. THANKS!
