Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
Adding photos as poll/survey option

Application/Area
Survey and Polls

Description
I think the addition of being able to add a photo as a poll option would be great. My organization does a lot of voting of displays, and it would be great if we could house that voting in Claromentis, as opposed to other resources.
