Our Product Owners will review your ideas monthly and you will be notified on any changes made to the status of your ideas. We will let you know personally once your idea has been scheduled.
Make sure you also vote on ideas that you want to see in the product, as we will take this into account when deciding on what ideas to implement.
If you have an immediate need for a feature please submit a Change Request instead.

Short summary of idea*
power users able to edit users if they forgot to place them in a group.

Application/Area
People

Description
When power users for a group create a user, the cannot go back and edit if they haven't placed them in a group before updating. Would be good if they could fix this themselves.
